

RYLA Rules of Conduct

1. Students are part of a family/team at RYLA, and coming late or leaving early disrupts the learning environment. We require students to be at the camp for the entire duration of the program.
2. Students will attend and participate in all scheduled meetings & activities.
3. Students will conduct themselves at meals, in the family cabins and during all activities in a manner that will bring credit to themselves, their schools, their families, and their Rotary sponsors.
4. **SMOKING & VAPING ARE PROHIBITED.** This is to respect all participants and to avoid potential fire hazards.
5. **ANY MEDICATIONS**, whether prescribed or “over-the-counter”, must be identified on the containers and given to the Medical Staff for medication administration. Inhalers and epi-pens may be kept by the students as long as Medical Staff are notified that the student is in possession of such medication. There will be a nurse on-location for the entire weekend.
6. Alcohol, Drugs, Tobacco products (including vape products) and Unidentified Medications are **NOT ALLOWED** anywhere at any time. Any student in possession of ANY of these items will be immediately discharged from the program. If a student is released from the program, a parent or guardian must come to the camp for transportation home.
7. Injuries must be reported immediately to the Medical Staff.
8. Students exhibiting potential signs of illness (including COVID) will be asked to visit the on-location Nurse for evaluation.
9. Cell Phones can be a distraction from full participation in the program. If you wish to use the camera on your cell phone, you may keep it with you during the day for camera use only (NOTE: This policy is subject to change). Cell use for texting, social media, or phone calls during the day—either incoming or outgoing—is prohibited. Misuse of the cell phone may result in camera privileges being rescinded and phones being turned off (or in your being asked to surrender it for the remainder of the weekend). Notifications must be turned to off as to not be a distraction to the entire family. Cell Phone use is only allowed in and around sleeping cabins between the conclusion of the last scheduled activity and “Lights Out.”
10. **LIGHTS-OUT** means quiet in the cabins with the lights out. We have a full program schedule and it is important to be well rested to get the full benefit of the program.
11. Each group is responsible for cleaning their eating area after each meal and for cleaning the cabins upon completion of the program.
